The contractor agrees to furnish at his/her/its own cost all labor, insurance, materials, equipment, and power for the complete performance of the following project:

Hoagland Avenue 6081-87

All work will be performed in accordance with: Resolution # 6081-87, the IFB, this contract and the applicable plans, specifications, and drawings for a TOTAL PRICE of \$. ☐ Liquidated Damages Provision. (This clause shall be applicable to this contract only if the box contains a checkmark or an "X".) It is hereby agreed by and between the City of Fort Wayne and Contractor that time is of the essence of this agreement and the contractor agrees that it will complete the project as herein defined on or before 9/30/87 days after issuance of the notice to proceed. The parties agree that it is a business and governmental necessity that the project be completed by this date, that it will be difficult or impossible to make an accurate determination of the damages that would be incurred by the City of Fort Wayne, and therefore provide for liquidated damages in the sum of \$ 250.00 per day for each and every day after 9/30/87 days after issuance of the notice to proceed that the project remains uncompleted. The parties agree that the sum of \$ 250.00 per day is a reasonable estimate as to the damages which would be incurred by the City of Fort Wayne. The parties further agree that causes beyond the control of the contractor may delay the completion date. Therefore, the parties agree that delays in the completion date beyond the control of the contractor shall not result in liquidated damages.

Delays beyond the control of the contractor can include but are not necessarily limited to, the following: Acts of God, strikes, lockouts or industrial disturbances, acts of public enemies, restraining orders of any kind by the government of the United States of America or of the State of Indiana or any of their departments, agencies, or officials, or any civil or military authority, insurrections, riots, landslides, earthquakes, fires, incapacitating storms, floods, and explosions.
